www.linkedin.com/in/sevinch-nuri-shabanova

Sevinch has over 24 years of professional experience in Sustainability, Corporate Governance, Risk Management, Audit, and Compliance, having led successful engagements for more than 150 public and private sector organizations nationally and across the EU. Her portfolio includes leading companies in industries such as mining, manufacturing, retail, pharmaceuticals, energy, financial services, construction, real estate and others.

Throughout her career, she has held senior leadership positions within both BIG 4 companies and central governmental institutions, with a proven track record of establishing high-performing advisory and compliance practices and building strong multidisciplinary teams.

She has served as a lead subject matter expert in sustainability reporting and regulatory developments, actively contributing to European Sustainability reporting consultations, the development of ESG service offering and implementation methodologies. In addition, she is a recognized lecturer and trainer on Sustainability for Certified Public Accountants Institute and Institute of Internal Auditors in Bulgaria.

Qualification :

Applying the IFRS Sustainability Disclosures Requirement (SSE Initiative & IFC World Bank), 2026
