(Chief Assist. Prof. Dr. Kalin Kalev)

2.
(Chief Assist. Prof. Dr. Ivan Apostolov)

Head of department:
„Accounting department“ (Assoc. Prof. Dr. Slavi Genov)

I. ANNOTATION

The course "Personal taxation" provides knowledge for taxation of individuals in Bulgarian tax system. The training emphasis on the different types of income taxation – income from employment, income from self-employment, income from business as a sole trader, income from rent, property, investment, pension, prize and other income. Special consideration provided to the social and health insurance contributions, VAT for individuals and local taxes for individuals. As well, discusses taxation of foreign income and the avoidance of double taxation on income. The training of students focuses on technological aspects of personal taxation. Creates skills to calculate tax liabilities and determinate tax deductions and reliefs. Thus, the course "Personal taxation" introduces a set of knowledge and skills for income taxation and insurance contributions in terms of employees, employers and self-employed individuals.
