## I. ANNOTATION

This course is designed to prepare students to work on a conflict management issues or on a conflict management position in the organization. Students will receive introduction to organizational culture, leadership and communication styles, and sources of workplace conflicts. The course also provides an overview of the processes by which organizations typically resolve disputes. Afterwards students will apply this knowledge to current organizational conflict, designing a conflict analysis and suggesting appropriate resolution strategies.

#### LEARNING OBJECTIVES

*In the end of the course students should be able to:* 

- Identify standard organizational conflicts
- Identify leadership and communication styles and their impact on associated conflicts
- Propose a conflict resolution strategy
- Define an organization's culture, analyse the conflict and its path, and create an assessment and strategies for exiting the conflict

The discipline requires application and development of social competences and competences for cultural awareness and expression.

## II. THEMATIC CONTENT

| №    | TITLE OF UNIT AND SUBTOPICS                               | NUMB | NUMBER OF HOURS |      |
|------|---|------|-----------------|------|
|      |   | L    | S               | L.E. |
| Then | Theme 1. CONFLICTS – OCCURANCE AND EFFECTS                |      | 6               |      |
