Admission

- Admission to Bachelor's level courses requires the completion of studies equivalent to the Norwegian secondary school. For applicants from outside of Europe, one year of completed university studies is often required.
- Master's courses have additional requirements, such as a Bachelor's degree in a relevant field.
- English language proficiency is a requirement for all applicants, for many applicants a recognized English language test is required.
- Course schedule: subject to change.
- Courses offered: subject to sufficient enrollment.
- Apply in the online application portal: <https://isweb.no/soknadsweb/login.jsf>
- Find more admission information at www.uio.no/summerschool/admission

Application deadlines

Scholarship applicants: February 1
Self-financed applicants: February 15

Beyond the Classroom

ISS offers a rich variety of cultural and social activities and special events, including:

- Norway Night
- International Cultural Evening
- Debates on current issues
- Norwegian films
- Hiking trips
- Guided tours to sites in Oslo

We offer a varied program with sight-seeing, cultural heritage tours, debates, hiking, and students' sports events.

During the summer weeks students are encouraged to initiate extracurricular social events. For more information, see the ISS website and social media.

“I really enjoyed the welcoming atmosphere at the ISS. Everyone was super nice and accommodating, from my lecturers, classmates, to ISS staff and Rønningen staff. Thank you all for the great experience.”

- Student ISS 2023

An Academic Experience

A wide range of fully accredited Bachelor's (undergraduate) and Master's (graduate) courses based on active student participation and field experiences.

A Cultural Experience

An extensive array of cultural events, sports, trips, social gatherings, and excursions to interesting destinations in and outside of Oslo.

A Confidence and Peace-Building Experience

An exciting and challenging expansion of perspectives in dialog with students from nearly 100 countries.

Every summer, the International Summer School gathers around 500 students from all over the world to live and study in an atmosphere of academic achievement and international good will.

Come to Norway – Meet the World

Why Norway?

Breathtaking scenery, fascinating history and culture, strong economy and an interesting country to explore, to experience.

Why International Summer School (ISS)

An ideal setting for an exploration of Norwegian and international topics. A center for learning aimed at developing and conveying knowledge, and at promoting understanding between people.

The University of Oslo is a leading European university, with independent, ground-breaking research, excellent facilities and engaging lecturers.
