What is the University of Economics - Varna like?

The University of Economics – Varna (UE–Varna) is one of the oldest institutions of higher education in economics on the Balkan Peninsula with a 100-year-long history. The University was established in 1920 by the Chamber of Commerce and Industry in Varna and has adhered to its mission ever since – to develop the science of economics, to train specialists needed for the prosperity of business in the region and the country as a whole.

Since then more than 155,000 Bulgarian and foreign students have graduated the University and have received higher education diplomas in economics. Today there are over 8,000 Bulgarian and international students at the University. Their training is provided by 230 highly professional staff – doctorate degree holders, professors, associate professors and assistant professors.

The University consists of 4 faculties, one college and 19 departments which offer more than 28 accredited specialties in four professional fields: Economics, Administration and Management, Tourism, IT and Computer Sciences. There are 22 master's degree majors in three forms of study: full-time, part-time and distance learning. The College of Tourism offers training for a professional bachelor's degree in tourism in three majors.

UE–Varna follows its mission to be a leading educational and scientific institution with an established identity in the European education area, oriented towards providing high quality education in line with the concept of lifelong learning, conducting significant research and offering competitive solutions with sustainable economic and social impact.

International Cooperation

The International Relations Office is responsible for the establishment and coordination of international contacts with other institutions of higher education. It assists foreign students studying at UE–Varna, and incoming and outgoing mobility students. The conclusion and the implementation of international agreements, the collection and dissemination of information about international programmes, opportunities to receive grants and study abroad, coordination of trainings, vocational trainings and practical mobility (recruitment of applicants, preparation of documents) are some of the main functions of the office.

UE–Varna has traditionally been open to the exchange of knowledge, educational and research experience with foreign academic centres. It is part of UE-Varna strategy for internationalization aimed at 2019-2023 period of time. The university successfully collaborates with more than 350 internationally recognized HEIs in the pursuit of expanding our international networks, opening to the academic and business world, learning from the best practices, and inspiring students to take on life-transforming experiences.

Studying at the University of Economics - Varna

1. How to apply to the University of Economics - Varna

Mobility students who would like to study at UE–Varna in the winter semester or for a full academic year should submit their application forms through the electronic system of the University until 20th June (after the nomination period). Those who would like to study in the summer semester should submit their application forms until 10th December (after the nomination period). The complete set of documents is:

1. Application Form
2. Learning Agreement
3. Housing Application (where applicable)
4. 4 passport-size photos (3.5 x 4.5 cm).

Step-by-step procedure

Step 1: Check for agreements between your home university and the UE–Varna by contacting your International Relations Office. The person in charge will inform you about the procedures to be selected as an Erasmus+ mobility student.

Step 2: After passing the selection procedures, your home university must nominate you in our online application system. Applications should be sent by 20th June for winter semester and full academic year, and by 10th December for summer semester.

Step 3: You will receive an e-mail with login information for access to our electronic system.

Step 4: All completed documents must be first sent to exchange_students@ue-varna.bg for checking and then, if approved, via post, along with the photos, to UE–Varna International Relations Office.

2. What to do before arrival?

Get a visa

Visa regulations for tourists are liberal: Bulgaria has agreements with numerous countries for allowing visitors to stay in the country without a visa for up to 90 days.

Exchange students from EU countries do not need a visa. Exchange students from non-EU countries must obtain visa D in order to study at UE–Varna.

Get insurance

Foreign students from EU and EEA member states should have the forms E128, E111 or the EHIC card. The document type depends on the authorized insurance agency at the country of origin.

Students from non-EU member states must obtain health insurance valid on the territory of the Republic of Bulgaria from the authority responsible for health affairs in their home country.

This certificate should contain clear description of the scope of their rights. Students have to obtain health insurance certificates prior to their arrival in Bulgaria. Health insurance is necessary for visa D application.

Also...

We advise you to bring your ISIC card. The card is recognized in Bulgaria and can be helpful when purchasing international train tickets, plane tickets or visiting museums. With your ISIC card you can also get special discounts at different shops and clubs.

Motor vehicle drivers should possess a valid local or international driving licence. You need a “green card” insurance for your own vehicle.

3. How to get started at the University of Economics - Varna?

Introductory days

During your first week, you will get an in-depth review of studies, accommodation, facilities, tutoring, trips arranged for international students, etc. Presence during Welcome Days is **mandatory**.

Buddy programme

The Buddy Programme is a fun way to get to know new people in a foreign country quickly and easily, to learn more about the local culture and discover even the small and probably not so obvious at first sight details about it. The final goal of the programme is fast cultural and social integration of international students by having lots of fun.

Selecting courses

You can find the courses offered in English for the incoming Erasmus+ students at the end of this booklet.

Tutoring

Mobility students can take advantage of their lecturers' tutoring hours upon request. Group meetings for mobility students are also an option.

Bulgarian language courses

Courses in Bulgarian Language are offered free of charge to our Erasmus+ students each semester. Students can earn ECTS credits for these courses.

What is UE-Varna student life like?

Accommodation

The city of Varna is a major transportation centre in Bulgaria. You have different options to reach it – by plane, by bus, by train or by car. The airport is one of the biggest in the country and has flights to/from most European countries. Mobility students can be accommodated at the University dormitory. The space for Erasmus+ students is limited and accommodation is provided on a “first come, first served” basis. All rooms are furnished with desks, beds, wardrobes, cupboards and chairs, living room and bathroom facilities. It is located near the University building. The rent per month for a

bed in a triple room is 110 euro, in a double room - 130 euro, in a single room - 150 euro. A security deposit, corresponding to the monthly rent, is required a week prior to arrival.

Hotel accommodation is also available and the bed&breakfast price for a double room per night ranges from EUR 25 to 50 (preferential price).

For those who prefer to rent a flat in Varna, the International Relations Office recommends a list of available apartments for exchange students which are located near the university. The cost of renting a fully-equipped private/shared room near the city center of Varna is between EUR 170 and EUR 270 per person/month.

The International Relations Office should be notified about the exact date and time of arrival at least a week in advance, so that accommodation can be arranged.

For more information, contact:

Tel: +359 52 830 812

E-mail: exchange_students@ue-varna.bg

Address of the dormitory:

Bregalnitsa Str., Students block 1 and 2

Student organizations

UE–Varna cooperates with different organizations, among which are: AIESEC, The Erasmus Student Network (ESN–Varna), Student Council and The National Representative Assembly of Student Councils. These structures keep students well-informed about a wide range of issues related to their stay in Varna and actively participate in civil and international projects.

Student Identification Card

Erasmus+ students are issued student identification cards. With your student ID card, you may receive discounts in purchasing entrance tickets/cards for swimming pools, gyms, museums, clubs, as well as train and coach tickets.

Living in Bulgaria and Varna

Republic of Bulgaria - Brief profile

Capital: Sofia

Population: 7.1 million

Area: 110 993 sq.km.

Language: Bulgarian

Predominant Religion: Eastern Orthodox

Summer average temperatures: 26°C ~ 32°C

Winter average temperatures: -5°C ~ 5°C

Time zone: GMT +2; Apr – Sept GMT +3

Largest cities: Plovdiv, Varna

Located in the south-eastern part of Europe, Bulgaria is a neighbour of Romania, Greece, Serbia, North Macedonia, Turkey and has a beautiful seaside along the Black Sea.

Bulgaria is a country with an ancient history and plenty to discover. Today, it is a member of the European Union and NATO.

The region of Varna is famous for its seaside resorts like Golden Sands, Sunny Day, Albena, St. St. Constantine and Helen. The climate is moderate with a few rainy days and not much snow. Varna is one of the biggest cities in Bulgaria with a well-developed economy and offers various opportunities for young people to study, work and have fun. The cost of living is comparable to other mid-sized cities in central and Eastern Europe. In 2017 Varna was the European Youth Capital.

Useful Information

Getting around

It is easy to walk from the main building of the university to the city center, to the dormitories and to the Sea Garden. A trip by bus costs 1 lev and the ticket is bought on the bus. Approximate price for a taxi ride within the city is 4–8 BGN.

Currency

Bulgarian currency is called “lev” (BGN). One lev is divided into 100 stotinki. Payment is in leva (levs); Bigger stores accept credit cards: Mastercard-Eurocard and VISA. The exchange rate of the lev is fixed to the euro at roughly 2 BGN leva for 1 euro.

Where to go and what to see

Sights, museums and galleries

Numerous museums in Varna welcome you into their unique atmosphere. All of them have their “stories” to tell and rich historical heritage to show. Varna museums are full of treasures from all periods of the city’s history, and will interest both the informed archaeologist and the casual visitor.

You can visit several museums:

- Archaeological Museum
- Natural Science Museum
- Museum of Varna
- The Museum of Modern History
- The National Revival Museum

Places of natural and architectural beauty

- Roman Baths
- Euxinograd Palace
- Pobiti Kamani (Stone Forest)
- Aladzha Monastery
- Varna City Art Gallery Boris Georgiev
- Varna Dolphinarium
- Aquarium
- Planetarium
- ...various Festivals

Cinemas

Films shown in local cinemas (movie theaters) are not dubbed and have subtitles in Bulgarian.

Theatre, Opera and Ballet

The Theatre and Opera House is in the city centre. It was built in 1921 after the fashion of the city of Vienna. It houses a theatre, an opera and philharmonic halls. The first play was presented by French soldiers during the Crimean War in 1855. The first opera performance in Varna was given in 1947. Not far away from it is the Puppet Theatre where the Golden Dolphin Festival of Puppets takes place every three years.

The University is located in the city centre, just five minutes away from the beach and opposite the Sea Garden – the biggest park in Varna. Along the beach, you will find a lot of places where you can go with your new friends. In the Sea Garden you can enjoy your free time walking, jogging, biking or doing other outdoor sports activities. Furthermore, Varna offers different cultural activities and festivals.

Varna provides a lot of opportunities for entertainment in many discos, clubs and bars with live music. During the summer, lots of new bars at the seafront open gates to welcome local people, students and tourists so parties and friendly atmosphere are a must. Don't miss this chance and join Varna's nightlife!

Erasmus+ students about their experience at the University of Economics – Varna

As two Irish students coming to Varna in Bulgaria was a big move at first. Very little is spoken about Bulgaria in Ireland and not much is known. That quickly changed! Coming to Varna was the best decision and we certainly got the best Erasmus experience despite COVID-19 more so than other students in other countries. Varna is a spectacular spot located by the black sea. On those sunny evenings it is so lovely to chill by the sea having some drinks while when the weather gets colder there is an abundance of restaurants and clubs to choose from. Bulgaria is a fascinating country with a unique culture and very interesting to explore some of the soviet and communist monuments that Bulgaria has to offer. The International Relations office could not have been more helpful as well as the lectures. Given that there were only Erasmus students in the class, class sizes were small which made college so enjoyable because we knew all our classmates and the lecturers so well. If you are thinking about coming to Varna for Erasmus don't, just go and do it because you won't regret and will have memories for ever.

Bulgaria, especially Varna, is a great place to visit and do your Erasmus. It was the best choice I ever made, as I made friends from other countries, visit new places, get to know my self better and of course improve my English speaking, something that I was scared about. Although I was the only one from Cyprus, I had the opportunity to make friends as we start knowing better each other.

The university is in the center, near the beach, restaurants, coffee shops, so it's easy after the classes to go grab a coffee, eat something and walk in the beautiful park. Erasmus is great experience as you can do a lot of activities. You can visit villages, other cities and go to countries next to Bulgaria. Even in Varna there are a lot of things you can do, like karting, paintball, cinema, theatre, ice skating in the winter, swimming in the summer and also try Bulgarian food. At UEV everyone is friendly, willing to help you, so you can have the best experience and expand your knowledge. All in all, take the opportunity, don't be afraid of changes, it was the best decision I ever made! You will not regret it!

„Give Bulgaria a chance and you will not regret it.” This were the words that were mentioned to us on our first welcome day in the University of Economics. After 3 ½ months of staying here I can say I am really pleased that I gave the chance to Bulgaria! Varna is a great place for spending an extraordinary Erasmus, as it offers a lot of possibilities for students to enjoy the time at the beach, bars & restaurants and all the other places at the perfect location in Varna. Also the events and trips planned by ESN or by us students in and around Bulgaria are unique experiences which I will never forget. Seeing the beautiful landscape but also the different cities was brilliant. The same goes for the friendships I could build here. In short time I got to know people and found good friends, which made my stay here valuable. Friendships, that last beyond the time spent in Varna and make Erasmus a unique time. I would not like to miss the time here and I’m happy for giving the chance to Bulgaria.

Tobias

Our semester in Bulgaria at the University of Economics - Varna was wonderful. Varna is a beautiful city by the sea, which offers a lot of activities for students and rich nightlife. Despite the COVID-19 virus, we had opportunity to travel around Bulgaria and visit different places, like wonderful Rila Monastery and Seven Rila lakes. We had immediately fell in love with Bulgarian cuisine and hospitality. Teachers and whole IRO were always very helpful and friendly. We met new people from all around the world and created lifelong friendships. If you still hesitate whether you should sign up for Erasmus and where you should go, the University of Economics in Varna is the right choice and you will certainly not regret it.
